ABOUT US

The Golden Isles is a premier location to live, work and visit because of the businesses that are here today. Our role at the Golden Isles Development Authority is to help your business thrive and support your growth. Some of the ways we can help include:

Site Selection - the right location to expand

Funding Tools - incentives, grants or loans

Partners- people and programs to meet your goals

Promote- share your good news

georgiasgoldenopportunity.com

“Gulfstream’s employees are world class, and the Quick Start program here in Glynn County has played a key role in our workforce development efforts,” said Ron Aldrich, general manager, Gulfstream Brunswick. “The essential training provided by Quick Start will accelerate our new employees’ operational knowledge and dramatically reduce their learning curve. We look forward to our continued partnership in growing jobs in Georgia.”

RESOURCES
